Pursuant to SMC 23.53.52.008, this project will require a transportation impact analysis (TIA). Please refer to Director's Rule 8-2012, which describes the required content for the study (Level 1 or Level 2), and contact the SDCI transportation planner, Audrey Spang (audrey.spang@seattle.gov), with any questions about the scope of this study. Alternatively, you may choose to submit the Traffic Study Exemption Request Form at the end of the Director's Rule if your project meets these requirements.
