Confirmed – Consistent with the PSA, Cavatina has permission to install a public notice to the extent required by the City of Seattle. If there are questions about location of the posting, I'd like Cavatina's third-party consultant installing the signage to coordinate with Mark Munday. Please forward me the contact information for the party who will install the City-required public notice. Thank you.

Andrew,
Jodi did not want to be involved in the procurement of the signage beyond soliciting the estimate , so Epstein will coordinate this effort .
I created an additional service request for this effort (attached). It is only for the cost of the signs and their installation. If you can get Cavatina to sign this request then we will be able to order and pay for them at the appropriate time. We have listed this cost as a reimbursable amount on the May invoice .

Please call with questions.

Thanks

Terrence
