Within thirty (30) days of receipt of such notice from Lessee or within thirty (30) days of actual notice of such damage or destruction, Lessor shall elect either to rebuild or to cancel this Lease. If Lessor elects to rebuild, the work shall be commenced without unnecessary delay and prosecuted to completion with diligence. During any such rebuilding period, if all or a portion of the Premises is untenantable, the rents shall abate in the same proportion as the untenantable portion is of the whole of the Premises. Lessor shall give written notice to Lessee of Lessor's intent to rebuild or cancel.

B. Damage to Building. If the Building in which the Premises is located is damaged, even though the Premises are not damaged, such that in the opinion of Lessor it is not practical to repair or rebuild, then Lessor shall have the option to terminate this Lease by written notice served on Lessee within 30 days after such damage or destruction.

20. CONDEMNATION

If a substantial part of the Premises is taken by the right of eminent domain, or purchased by the condemnor in lieu thereof, which renders the remaining Premises untenantable, then this Lease may be cancelled at the option of either Lessor or Lessee. If a partial taking does not render the Premises untenantable, the rent shall be reduced in direct proportion to the taking. Lessee shall have no claim to any portion of the compensation for the taking of the land or Building. However, the Lessee may claim

compensation for such condemnation or taking from the condemnor for relocation costs. Lessor and Lessee agree to restore the Premises, as soon as reasonably possible, at Lessor's expense, to a unit of like quality and character as existed prior to the condemnation, to the extent it is commercially reasonable to do so. If Lessor determines that the Premises or the Building cannot be repaired, restored or replaced, so as to constitute an economically useful facility, then the Lessor may terminate this Lease by giving written notice to Lessee within twenty (20) days after the condemning authority shall have taken possession.

21. SUBORDINATION

A. Priority. This Lease is subject to and is hereby subordinated to all present and future mortgages, deeds of trust and other encumbrances affecting the Real Property or the Parcel. The Lessee agrees to execute, at no expense to Lessor, any instrument which may be deemed necessary or desirable by the Lessor to further effect the subordination of this Lease to any mortgage, deed of trust or encumbrance. The Lessor agrees to request of each such mortgagee and/or beneficiary under each such future encumbrance, in writing, that regardless of any default or breach under any such encumbrance, or any possession or sale of the whole or any part of the Premises under or through any such mortgage or deed of trust, this Lease and Lessee's right to possession of the Premises shall not be disturbed by the mortgagee, beneficiary, or any other person claiming under or through the same, provided, the Lessee shall continue to observe and perform the Lessee's obligations under this Lease and pay rent to whomsoever may be lawfully entitled to the same from time to time.

B. Estoppel Certificate, Etc. Lessee shall at any time, upon not less than ten (10) days prior written notice from Lessor, execute, acknowledge and deliver to Lessor a statement in writing certifying that this Lease is unmodified and in full force and effect (or if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect).

22. ASSIGNMENT AND SUBLetting

A. Lessor's consent required. Lessee shall not voluntarily or by operation of law "Transfer," all or any part of Lessee's interest in the Lease, without Lessor's prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned. The term "Transfer" includes any assignment, conveyance, mortgage, sublease, or other transference or encumbrance, of all or any part of Lessee's interest in this Lease. The Lessor's consent may be withheld, regardless of the reasonableness of the proposed Transfer, if the Lessee is in default. Any attempted Transfer, without such consent shall be void and shall constitute a breach of the Lease. Any merger, consolidation, or liquidation of Lessee, or any subsequent change in the ownership of the capital stock or interests of Lessee shall also be deemed a Transfer. Upon any request for

consent to transfer, Lessor may require Lessee to pay for Lessor's reasonable administrative, legal, accounting and other reasonably necessary costs incurred in evaluating the proposed Transfer.

i. Without limiting the Lessor's exercise of reasonable business judgment, the Lessor may reasonably reject a proposed Transfer, if any of the following conditions exist:

- a. Proposed Transferee's net worth is not at least equal to the Lessee's net worth as of the Commencement Date;
- b. The proposed Transferee has an unsatisfactory credit record;
- c. The Transfer would involve a change of use at the Premises;
- d. The business of the proposed Transferee to be conducted within the Premises has not been in successful operation for at least five (5) years;
- e. The proposed Transferee does not have a reputation at least equivalent to that of Lessee as of the Commencement Date, or the presence of the Transferee's business at the Premises would in some other way adversely affect the reputation of the Real Property;
- f. As a result of the proposed Transfer, the Lessor would reasonably anticipate that it would incur additional costs, such as remodeling of any part of the Real Property, or, that the Lessor's actual operating costs would be likely to increase, because of the Transfer or the operations of the Transferee;
- g. The Lessee is in default under any provision of this Lease;
- h. The proposed Transferee has been requested by any governmental entity or current or former landlord to take environmental remedial action or to contribute to the payment of the costs of environmental remediation due to actual contamination resulting from operations or direct actions of the proposed Transferee;
- i. The intended use of the Premises by the proposed transferee would conflict with the rights of any other tenant of the Real Property under that other tenant's lease, or would as a practical matter, be reasonably anticipated to adversely affect the business of any other tenant of the Real Property;

j. The assignment or sublease would be at a lesser rental rate than is being charged by the Lessor for comparable space within the Real Property;

k. The assignment or sublease would violate the provisions of any of Lessor's mortgages, deeds of trust, or other security instruments pertaining to the Real Property, the improvements or equipment.

l. The assignment or sublease would be to a then existing tenant or occupant of the Real Property, or a subtenant or assignee of an affiliate of any of those parties; or

m. The Transfer would release, in whole or in part, any individual from liability for any amounts owed under this Lease, whether or not such amounts owed have already become due or could become due during the balance of the Term, including any extensions.

ii. Lessor may also require as a condition to a proposed transfer, that the Lessee pay to the Lessor one-half of the amount by which the consideration payable to the Lessee exceeds the Lessee's rental obligations under this Lease. In the case of an assignment in which the Transferee agrees to be fully responsible for all obligations under the Lease, the Lessor can condition its consent to the transfer upon payment to the Lessor of one-half of all consideration payable to the Lessee for the assignment of the Lease. In the case of a sublease, the Lessor's consent to the transfer can be conditioned upon the Lessee's agreement to pay to the Lessor one-half of the amount by which the rental payments to the Lessee from the Transferee exceed the rental obligations under this Lease.

B. No Release of Lessee. Regardless of Lessor's consent, no subletting or assignment shall release Lessee of the obligation to pay the rent and to perform all other obligations to be performed by Lessee hereunder for the term of this Lease. The acceptance of rent by Lessor from any other person shall not be deemed to be a waiver by Lessor of any provision hereof. Consent to any one assignment or subletting shall not be deemed a consent to any subsequent assignment or subletting.

23. NON-WAIVER OF BREACH

The failure of either party to insist upon strict performance of any of the covenants and agreements of this Lease or to exercise any right shall not be construed to be a waiver or relinquishment. The acceptance of rent by the Lessor shall not constitute a waiver of any other prior breach by the Lessee. The acceptance by the Lessor of rent shall not constitute a waiver of any breach for rents that remain unpaid and shall not constitute a

waiver or relinquishment of the Lessor's right to pursue an action for unlawful detainer and forfeiture of the Lease for any such rents remaining unpaid.

24. HOLD-OVER

If after the expiration of the term of this Lease the Lessee shall continue in possession with the consent of Lessor, then such tenancy shall be a month to month tenancy, which may be terminated upon twenty (20) days written notice. During such tenancy Lessee agrees to pay to the Lessor rentals in an amount equal to 120% of the minimum adjusted rent for the last month of the immediately expired term, plus additional rent unless a different rate is agreed upon. In any holdover period Lessee shall be bound by all of the terms, covenants, and conditions of the Lease, as far as applicable. This Lease shall expire on the Expiration Date stated in Section 3, without the need for notice by either party. This Lease may only be renewed or extended by a written instrument.

25. COSTS AND ATTORNEYS FEES

If, following a default by Lessee, Lessor refers this Lease to an attorney for enforcement; Lessee shall reimburse Lessor for Lessor's reasonable attorney's fees incurred, regardless of whether a lawsuit is commenced. If Lessee is in default and Lessor issues a notice of default, Lessor may require Lessee to reimburse Lessor for the costs of issuing the notice of default, including any attorney's fees, as a condition of curing the default. If, by reason of any default or breach on the part of either party in the performance of any of the provisions of this Lease, a legal action is instituted, the losing party agrees to pay all reasonable costs and attorney's fees of the other party. The prevailing party in any litigation shall be entitled to its costs of searching title. If a lawsuit is commenced to enforce any of the provisions of this Lease, the parties agree that jurisdiction and venue shall be placed in the Superior Court for Snohomish County, Washington.

26. DEFAULT AND RE-ENTRY

A. Default. Lessee shall be in default of this Lease if:

i. Lessee fails to pay any installment of rent or additional rent or other charges when due; or

ii. Lessee fails to perform any other covenant, term, agreement or condition of this Lease when such performance becomes due;

iii. Lessee, Lessee's owners, members, or interest holders, or any personal guarantor hereunder becomes insolvent. Insolvency includes, but is not

limited to, filing a petition for bankruptcy or seeking the protection of any similar laws; or

iv. Lessee vacates or abandons or ceases to do business in the Premises for a period of more than three (3) days, unless Lessee is remodeling the Premises or otherwise had prior written approval from Lessor.

B. Notice. With respect to a default occurring under A.i., above, Lessee shall have three (3) days following receipt of notice from the Lessor within which to cure any such default. With respect to a default arising under A.ii. above, lessee shall have ten (10) days following the receipt of notice from the Lessor within which to cure any such default. However, if the nature of the default under A.ii., is such that the same cannot reasonably be cured within the 10 day period, Lessee shall be deemed to have cured the default, if Lessee commences the cure within the 10 day period and diligently prosecutes the cure to completion and if Lessee furnishes to Lessor such assurances and indemnities as Lessor may require to ensure completion of the cure and to fully and completely protect Lessor from any loss or liability by reason of any delay. With respect to a default arising under A.iii. above, Lessor shall not be required to provide any notice or opportunity to cure to Lessee prior to exercising Lessor's right of termination.

C. Termination. If Lessee fails to cure any default, after notice, if required, Lessor may immediately or at any time thereafter elect to terminate this Lease by notice, lawful entry or otherwise. Upon such termination Lessor shall be entitled to recover possession of the Premises from Lessee and those claiming through or under Lessee. Alternatively, Lessor may retake possession of the Premises without terminating this Lease. The termination of this Lease and any repossession of the Premises shall be without prejudice to any remedies which Lessor might otherwise have for arrears of Rent or for a prior breach of any of the provisions of this Lease. Lessor and Lessee agree that a notice by lessor requesting cure of a preexisting default hereunder shall constitute a statutory notice to quit.

D. Non-Curable Defaults. If during any consecutive twelve (12) month period Lessee has been in default under A.i., above, three or more times, for which Lessor has issued three or more notices to cure, then Lessee shall be deemed to have committed a non-curable default. Also, if during any consecutive twelve (12) month period Lessee has been in default under A.ii. above four or more times, for which Lessor has issued four or more notices to cure, then Lessee shall be deemed to have committed a non-curable default. Immediately upon the occurrence of a non-curable default, or at any time thereafter, Lessor may terminate this Lease by notice from which there shall be no opportunity for the Lessee to cure. Lessor's notice of termination shall specify a date certain upon which this Lease shall terminate, which may be the same as the date the notice is issued at the Lessor's discretion.

E. Rents. Upon a termination Lessor may re-enter the Premises, but notwithstanding such termination and re-entry by the Lessor, the liability of the Lessee for all rent (including Minimum Rent and Additional Rent) provided for the balance of the term of this Lease, shall not be extinguished. Lessee agrees to pay to the Lessor the rents or any deficiency arising from a re-entry and reletting of the Premises at a lesser rental than herein agreed to. In addition, the Lessee shall pay to the Lessor the Lessor's reasonable costs of retaking possession, the costs of reletting (including the costs to modify the Premises and any commissions) and any other amounts otherwise payable to Lessor under this Lease. The Lessee shall pay the rents or any such deficiency each month as the amount thereof is ascertained by the Lessor, or at Lessor's election the rents for the balance of the term of the Lease may be accelerated. If Lessor elects to accelerate the rents, Lessee shall be given credit for the reasonable fair market rental value of the Premises and any deficiency remaining after such credits shall be reduced to present value.

27. REMOVAL OF PROPERTY

If the Lessor re-enters or takes possession of the Premises, the Lessor shall have the right, but not the obligation, to remove from the Premises all personal property located therein. Lessor may store the same in any place selected by Lessor, including but not limited to a public warehouse, at the expense and risk of the Lessee. Lessor shall have the right to sell such stored property, after notice to Lessee, after it has been stored for a period of thirty (30) days or more. Lessor shall give written notice of sale to Lessee at least fifteen (15) days prior to such sale by regular mail, mailed to Lessee at the address specified in Section 28 of this Lease. The proceeds of such sale shall be applied first to the cost of such sale, second to the payment of any sums of money which may then be due from Lessee to Lessor under this Lease, the balance, if any, shall be paid to Lessee. If the proceeds are not sufficient to pay the Lessor the sums owed to the Lessor, then the Lessee shall be liable for any deficiency. This remedy is cumulative to the other remedies of Lessor hereunder. Lessee hereby waives any claim against Lessor for property sold by Lessor pursuant to Lessor's claim hereunder.

28. NOTICES

Any notice required by this Lease may be mailed by regular mail, registered or certified mail with a return receipt request or by delivery to a nationally recognized overnight delivery service (such as FedEx, DHL or UPS) for next business day delivery to the address designated below. Notices sent by regular mail shall be deemed received three (3) days after posting. Notices sent by registered or certified mail shall be deemed received on the date of actual delivery as evidenced by the postal receipt. Notices sent by overnight delivery shall be deemed received on the next Business Day following deposit with the delivery service. Also, at the election of the sender any notice may be personally delivered, in which case it shall be deemed received on the date it is actually received.

29. TIME IS OF THE ESSENCE

Time is of the essence in the performance of each provision of this Lease.

30. LATE PAYMENT CHARGE

In the event of a delinquency in full or in of any payment due under this Lease, a late charge equal to 5% of the unpaid amount or \$25, whichever is greater, shall be paid by the Lessee. Lessor may collect the late charge at the time of such delinquency, or at any time thereafter. Only one late charge may be made for the same delinquency. A "delinquency" for the purposes of this Section 30 shall mean any payment which is not received in full by the Lessor or the Agent of the Lessor by the 10th of the month or, if mailed and not received by the tenth (10th) of the month, is not postmarked by the seventh (7th) of the month. The late charge is an amount estimated to cover Lessor's reasonable administrative and handling costs in connection with delinquent payments.

31. LIMITATIONS ON LESSOR'S LIABILITY

The Lessor's liability for all claims arising out of or relating to this Lease is expressly limited to Lessor's equity in the Real Property. If Lessor transfers Lessor's interest, the Lessor named herein shall be relieved from all liability for the Lessor's obligations to be performed subsequent to the transfer. However, any funds in the hands of Lessor or the then transferor at the time of such transfer in which Lessee has an interest, shall be delivered to the transferee. The obligations contained in this Lease to be performed by Lessor shall be binding on Lessor's successors and assigns, only during their respective periods of ownership. The Lessor shall not be liable for any claim arising out of events occurring outside of the Lessor's period of ownership.

32. INTEREST ON PAST-DUE OBLIGATIONS

Except as expressly provided herein, any amount due to Lessor that is not paid when due shall bear interest at the rate of eighteen percent (18%) per annum or the rate charged by Lessor's primary institutional lender, plus five percent (5%), whichever is greater. Payment of such interest shall be in addition to any late charges provided for

herein. Payment of such interest shall not excuse or cure any default by Lessee under this Lease.

33. HAZARDOUS SUBSTANCES

During the term of the Lease and any, extension, or hold-over, Lessee shall not generate, process, store, transport, handle, dispose of or release, on, under, over, or in the Premises, the Common Areas or the Real Property, whether by Lessee directly or through Lessee's agents, contractors, employees, subtenants, or invitees any "Hazardous Substances", except in compliance with "Environmental Law". The Lessee shall defend, hold harmless, reimburse and indemnify the Lessor from and against any and all "Environmental Liability" arising out of any breach of the foregoing covenant.

A. Environmental Law. The term "Environmental Law" means any federal, state, or local statute, ordinance, rule, regulation or other law now or hereafter in effect pertaining to environmental protection, contamination or cleanup, including without limitation the Comprehensive Environmental Response Compensation and Liability Act of 1980, 42 U.S.C. Sec. 9601-9675, The Resource Conservation and Recovery Act, 42 U.S.C. Sec. 6906 *et. seq.*, The Toxic Substance Control Act, 15 U.S.C. Sec. 2601-2671, The Hazardous Materials Transportation Act, 49 U.S.C. Sec. 1801-1813, The Federal Water Pollution Control Act, 33 U.S.C. Sec. 1251-1387, The Clean Air Act, 42 U.S.C. Sec. 7401-7642, The Safe Drinking Water Act, 42 U.S.C. Sec. 300F-300J-26, The Solid Waste Disposal Act, 42 U.S.C. Sec. 6901-6992K, The Coastal Zone Management Act, 16 U.S.C. Sec. 1451-1464, The Washington Model Toxics Control Act, RCW Ch. 70.105D, The Washington Clean Air Act, RCW Ch. 70.94, The Washington Water Control Statute, RCW Ch. 90.48, The Washington Safe Drinking Water Act, RCW Ch. 70.119A, The Washington Hazardous Waste Management Act, RCW Ch. 70.105, The Washington Shoreline Management Act, RCW Ch. 90.58, and The Occupational Safety and Health Act, 29 U.S.C. Sec. 651 *et. seq.*, as such laws have been or may be amended or supplemented, and any other federal, state or local regulations governing environmental matters which may be applicable.

B. Hazardous Substance. The term "Hazardous Substance" means any hazardous, toxic or dangerous substance, waste or material which is defined as such by or becomes regulated under any Environmental Law. Without limiting the foregoing, Hazardous Substances shall include, but not be limited to, any substance which after being released into the environment and upon exposure, ingestion, inhalation, or assimilation, either directly from the environment or indirectly by ingestion through food chains, will or may reasonably be anticipated to cause death, disease, behavioral abnormalities, cancer, and/or genetic abnormalities.

C. Environmental Liability. "Environmental Liability" means any and all costs and liabilities resulting from any claim or demand, arising from environmental

conditions on the Real Property, or the release or threatened release, of a Hazardous Substance into the environment, in connection with the Real Property, whether based in contract, tort, implied or express warranty, strict liability, criminal or civil statute, including any Environmental Law, permit, environmental lien, order or agreement with any governmental authority, including but not limited to the following: all liabilities; obligations; responsibilities; Remedial Actions; losses; natural resource damages; damages to other properties; damages; punitive damages; consequential damages; treble damages; costs and expenses (including without limitation, all reasonable fees of counsel, disbursements and expenses of counsel, expert and consulting fees and costs of investigation and feasibility studies); fines; penalties and monetary sanctions, interest; regardless of whether such claims are direct or indirect, known or unknown, absolute or contingent, past, present or future.

D. Remedial Action. "Remedial Action" means all actions required by any governmental authority under any Environmental Law to: **i)** clean up, remove, treat, or in any other way address Hazardous Substances; **ii)** prevent the release or threatened release or minimize any further release so that Hazardous Substances do not migrate or endanger or threaten to endanger public health or welfare or the environment; or **iii)** perform pre-remedial studies and investigations or post-remedial monitoring care.

E. Notice. Lessee shall immediately provide notice to Lessor if Lessee becomes aware of any of the following:

- i.** The occurrence or threatened occurrence of a violation of any Environmental Law on the Real Property including the Premises;
- ii.** A release or threatened release on the Real Property including the Premises of any Hazardous Substance in violation of Environmental Law;
- iii.** The investigation by any governmental authority evaluating any release or threatened release of a Hazardous Substance in connection with the Real Property including The Premises; and
- iv.** Judicial or administrative proceedings pending alleging a violation of any Environmental Law in connection with the Real Property including the Premises.

F. Survival. Lessee's obligation to indemnify shall survive the expiration or termination of the Lease.

G. Other Actions. Lessee will, at its sole expense, take all actions which may be necessary or advisable for the cleanup of Hazardous Substances arising out of Lessee's possession of the Premises or activities on the Real Property, including without

limitation, all Remedial Actions in accordance with Environmental Law and in all events in a manner satisfactory to Lessor. Lessee shall further pay or cause to be paid all Environmental Liability arising out of or relating to any breach by Lessee of this Lease.

34. MISCELLANEOUS

A. Prior Agreements. This Lease contains all agreements of the parties with respect to any matter mentioned herein. No prior agreement or understanding pertaining to any such matters shall be effective. This Lease may be modified in writing only, signed by the parties in interest at the time of the modification.

B. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive, but shall, wherever possible be cumulative with all other remedies at law or in equity.

C. Covenants and Conditions. Each provision of this Lease performable by Lessee shall be deemed both a covenant and a condition.

D. Choice of Law. This Lease shall be construed and enforced according to the laws of the State of Washington and at the option of either Lessor or Lessee, jurisdiction and venue for any controversy shall be placed in the Superior Court for Snohomish County, Washington.

E. Merger. The voluntary or other surrender of this Lease by Lessee or a mutual cancellation thereof, shall not work a merger. Any such surrender shall, at the option of the Lessor, terminate all or any existing sub-tenancies or may, at the option of Lessor, operate as an assignment to Lessor of any or all of such sub-tenancies.

F. Severability. The invalidity of any provision of this Lease as determined by a court of competent jurisdiction shall in no way effect the validity of any other provision.

G. Heirs and Successors. Subject to the provisions hereof pertaining to assignments and subletting, the covenants and agreement of this Lease shall be binding upon the heirs, legal representatives, successors and assigns of any or all of the parties hereto.

H. Rent Abatement. No abatement, setoff, diminution or reduction of rent shall be claimed or allowed to Lessee or any person claiming under Lessee for any circumstances, whether for inconvenience, breach, discomfort, interruption of business, or otherwise. Nor shall any such claim be made, because of alterations, improvements, or repairs to the Premises, the Building, or the Common Areas, or caused by any governmental laws or arising from or during the restoration of the Premises after the

destruction or damage thereof by fire or other cause or the taking or condemnation, the buildings or the Common areas, except as provided in Sections 19 and 20 herein.

I. Anti-Terrorism Laws. To the best of Lessee's knowledge Lessee is not, and shall not become, a person or entity with whom Lessor is restricted from doing business with under regulations of the Office of Foreign Asset Control ("OFAC") of the Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, Executive Order (including, but not limited to, the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism), or other governmental action.

35. GUARANTEE.

The Lessees are executing this Lease in their individual capacity. Lessor and Lessee acknowledge that the individual Lessees are personally obligated for Lessee's performance of this Lease. The individual Lessees have signed onto this Lease as Guarantors in the event the individual Lessees decide to transfer their interest in the Lease to an entity. Lessee acknowledges and agrees that Lessor could reasonably withhold consent to the foregoing transfer if the individual Lessees did not sign onto the Lease as Guarantors.

The guarantees of the Guarantors appearing below are a material inducement to the Lessor in entering into this Lease. By their signatures, the Guarantors absolutely and unconditionally guarantee all obligations, payments and performance which may become due under this Lease, including during any extension period or hold over period. The Guarantors shall also be liable for all of the Lessee's obligations, which survive termination or expiration of this Lease. To induce the Lessor to accept this lease, the Guarantors represent to the Lessor that the Guarantors are shareholders or officers of, or members in, or partners in, or otherwise have a financial interest in the Lessee. Each married Guarantor further warrants that this Lease benefits the Guarantor's marital community. The Guarantors waive all notice of default, demand, presentation, protest, extension, renewal or modification, or any other notice of every kind or nature, which may occur under this Lease. Each Guarantor's undertaking is joint and several. The Lessor shall have the right to enforce this guarantee against all or any of the Guarantors without first pursuing any action against the Lessee or any other Guarantor. Guarantors hereby (1) waive the right to require Lessor to proceed against Lessee or to pursue any other remedy Lessor may have, (2) waive the right to plead or assert any election of remedies Lessor may have, (3) waive the pleading of any statute of limitations as a defense to the obligation hereunder, and (4) waive any other defense arising by reason of any disability or other defenses of Lessee.

36. BROKERS

The parties represent that no commissions are due and indemnify each other from all other claims for a real estate commission.

IN WITNESS WHEREOF, the parties hereto have executed this Lease the day and year first above written.
